Whether you are traveling for business or leisure, GlobeAir offers the ultimate bespoke travel solution before, during, and after each flight, by paying great attention to detail at every stage of your journey. In order to let our passengers enjoy the pleasure of a seamless travel experience we are

committed to offering a consistent Customer Care service of the highest class. With the world's largest fleet of Citation Mustang jets we provide a direct access to those airports typically inaccessible to commercial airlines and larger private jets, with greater flexibility and a premium quality service.

PRIVATE AND DISCREET.

There are countless advantages of flying with private jet. For instance, departing from terminals dedicated to business aviation allows passengers the highest discretion while avoiding the dreaded security lines typical at large commercial airports. Even

when travelers choose to leave from a main hub airport, they have exclusive access to the Fixed Base Operator, where they are invited to enjoy all the facilities while waiting for the commander to greet and escort them with their belongings to the aircraft.

COULD I BRING A BOTTLE OF WINE ON BOARD?

Of course, flying GlobeAir allows you to carry liquid goods of all sizes. Please inform our Customer Care team at time of booking if you plan to carry any unusual goods as some may not be allowed.

HOW MUCH LUGGAGE IS ALLOWED ON BOARD?

The Citation Mustang can accommodate up to 4 pieces of standard luggage (25 kg each), however your baggage allowance is determined according to your itinerary and provided to you at the time of the booking. Please inform our Customer Care if you wish to carry any special sport equipments such as skis, golf sets, and bicycles.

ARE PETS ALLOWED IN THE CABIN?

Yes, any pets with a maximum weight of 8 kg are welcome on-board. Dogs must wear a muzzle and all pets must be on a leash and sit on a blanket during the flight. The blanket is provided by the owner of the animal. Before entering UK borders pets have to be microchipped, vaccinated against rabies and treated for ticks and Echinococcus.

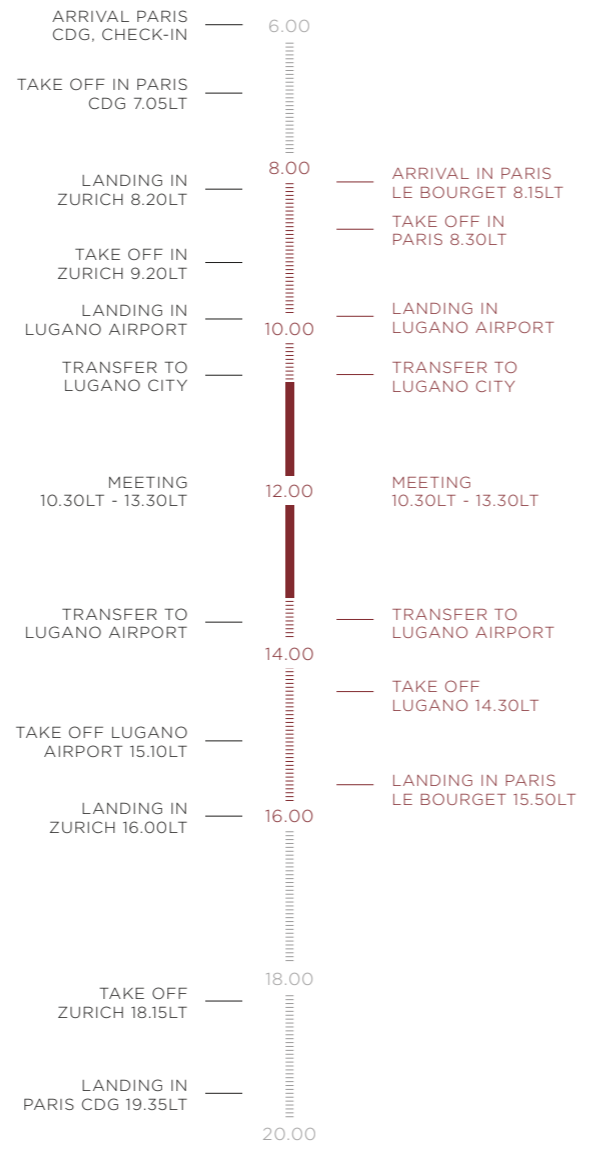

**IN THE RIGHT PLACE
AT THE RIGHT TIME.**

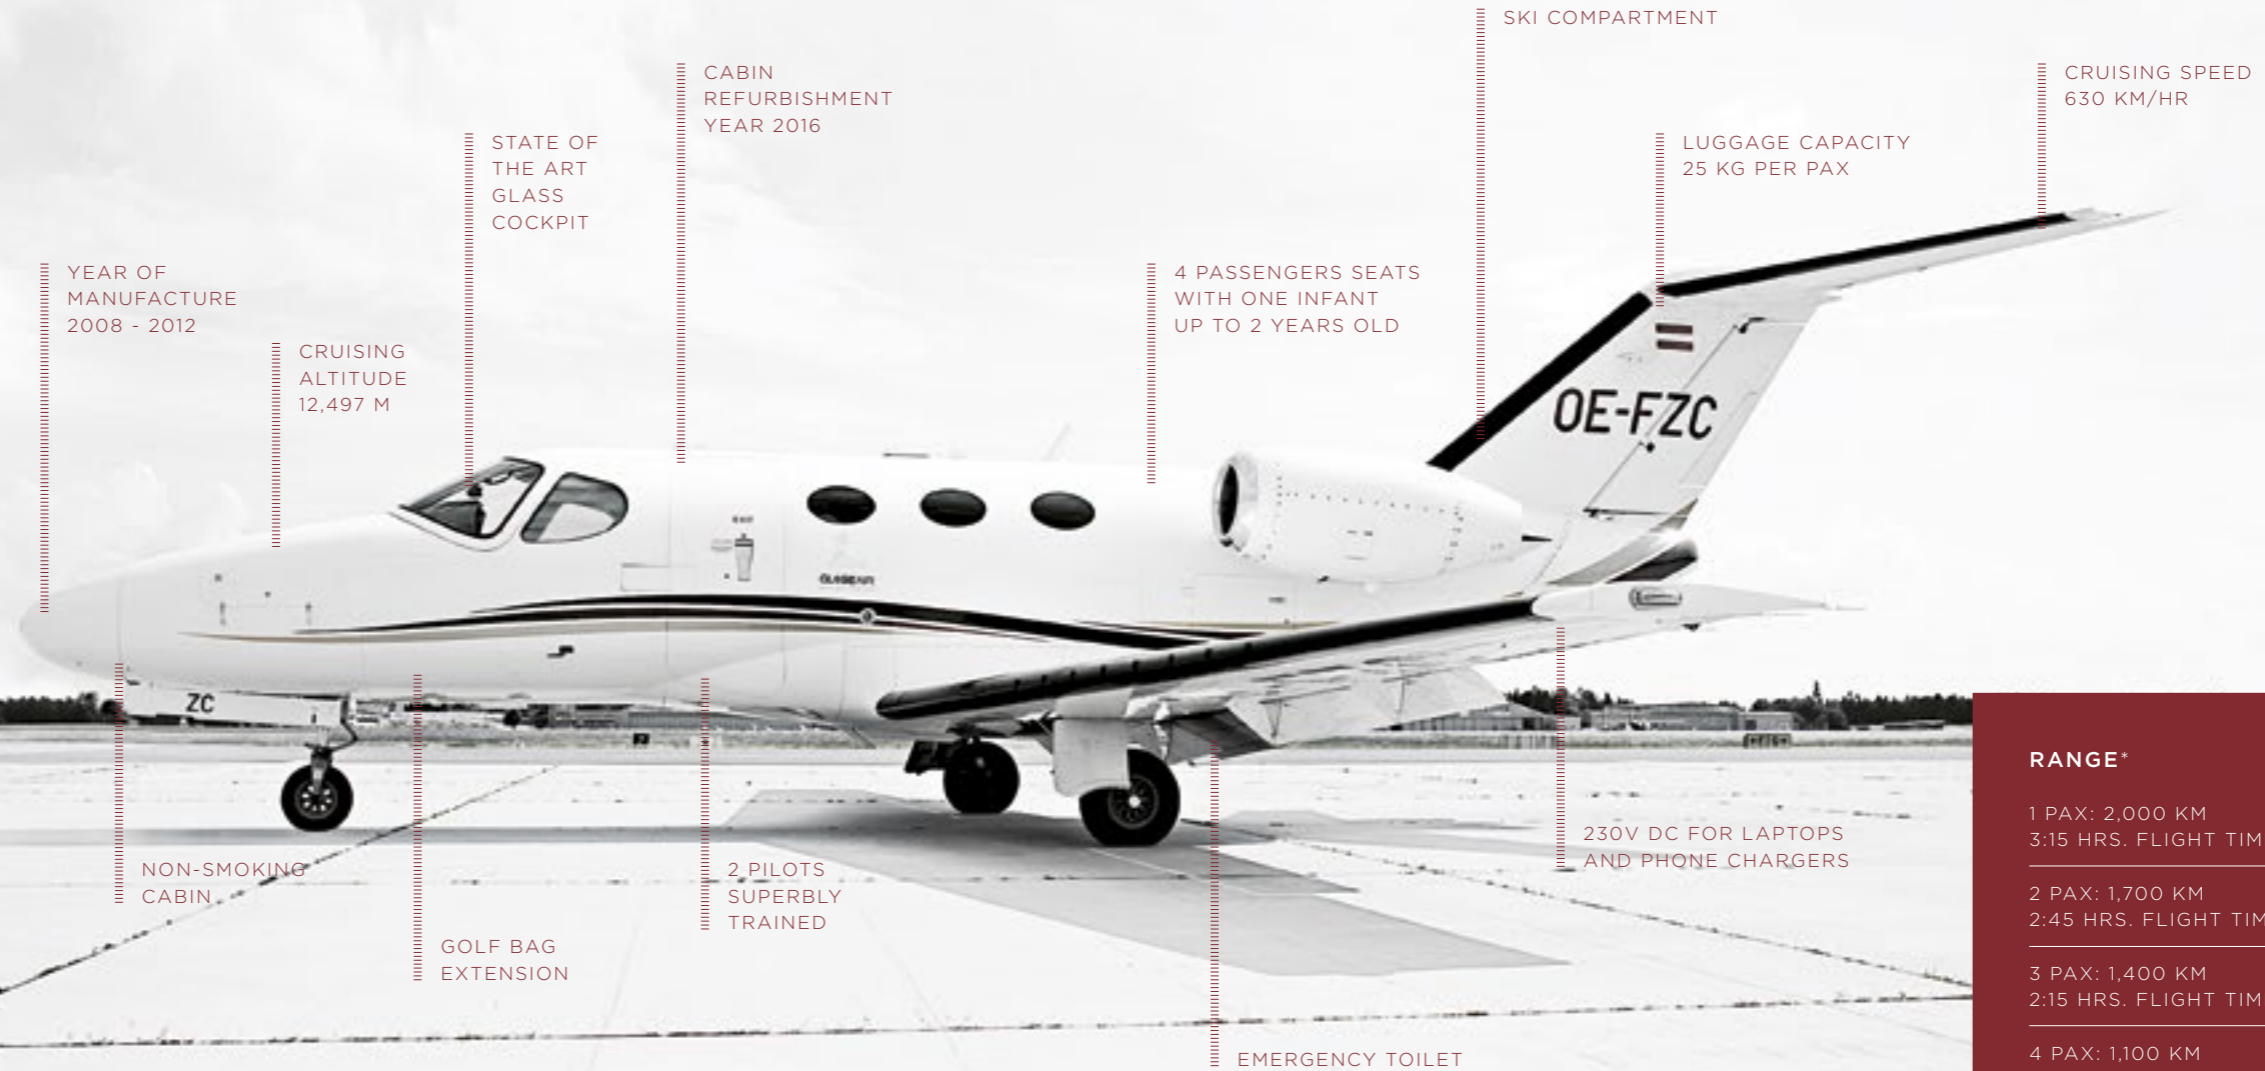

In today's fast paced environment, GlobeAir is focused on providing time-saving flight solutions aimed at increasing business productivity and efficiency. Having a jet available at your convenience gives you the edge of being in complete control of your own schedule with the ability to fly point-to-point in Europe, and plan trips otherwise impossible with commercial airlines. Enjoy the privilege of the fast lane at the private business terminals and request a limo transfer directly from your jet on arrival.

HANDCRAFTED EXPERIENCE.**

The four club-seating configuration makes the ultimate statement in design, comfort, and luxury. Discover the new designs in GlobeAir's Mustang cabins and enjoy the pleasure of the finest aircraft interior, handcrafted in Florence with care to deliver a unique travel experience. GlobeAir specialists have individually selected only the finest materials, fully certified and sourced in Europe. The selected leather and the contrast stitching are shaped from a choice of three different colours and configurations.

Never before has a Citation Mustang jet combined the most stylish design with genuine comfort. GlobeAir offers on each flight an assortment of organic snacks and a selection of hot/cold drinks including Champagne, premium wine, and beer. Our passengers are welcome to inform the Customer Care if they wish to order any additional catering, which is strongly recommended for any flights beyond 1:30 flight time. All our aircraft are equipped with a satellite telephone, a power supply of 110V/230V, and an emergency toilet.

HIGHLY EXPERIENCED CREW.

GlobeAir is the first Very Light Jet company rewarded by Flight Safety for its achievements. In accordance with EASA (European agency responsible for establishing and monitoring air travel regulation) GlobeAir flights are always conducted by an experienced crew, composed of a commander and a first officer. We meticulously select pilots with a genuine passion for flying and a strong

commitment to customer service. After the selection, the GlobeAir crew must go through many rigorous and recurrent training courses scheduled every six months, such as emergency simulator training, exceeding regulatory requirements hence maintaining the strictest safety standards. Experience the pleasure of a private flight operated with the highest level of security, comfort, and privacy.

GlobeAir is an Approved Training Organisation, certified by CAA. All the pilots who aim for a career with us must undergo supplementary assessments including but not limited to a full flight simulator check ride with GlobeAir's examiners beyond their type rating, to obtain the full license required for taking off in one of our Mustangs.

TAILORED TRAVEL SOLUTIONS.

While flying with GlobeAir, you may take advantage of our meticulously tailored concierge experiences. These can include, but are not limited to: helicopter transfers, private ground transportation, special hotel arrangements, exclusive restaurant reservations, and much more. To guarantee a comfortable and stress-free boarding,

we recommend our passengers to be at the airport within 10 minutes before the scheduled departure. If you are running late, we will wait for you. As a standard we provide 1 hour of flexibility around take-off time. Please contact our Customer Care Team if more flexibility is required. Privacy and discretion are guaranteed throughout.

HOW DO I GET A QUOTE?

Our Customer Care team is committed to providing charter quotes and availability within 10 mins of the request. Otherwise you may get it instantly on our website. We offer pricing guarantee.

WHICH METHODS OF PAYMENT ARE ACCEPTED?

We accept payments by bank transfer or credit cards, with the highest standards available for data security. Special conditions and monthly payments are offered to frequent flyers.

DO YOU PROVIDE ANY VOLUME DEALS?

Yes, our Membership Programs are designed to make our passengers' experience even more rewarding. Unlike other jet cards, our offers are completely tailored around your needs. If you are interested don't hesitate to ask our Customer Care for additional information.

**YOUR FLIGHT.
OUR RESPONSIBILITY.**

GlobeAir has full ownership of the entire fleet, therefore we do not need any owner's approval and we are ready to instantly verify and confirm any flight availability. However, due to the high volume of requests and continuous changes of the flight operation schedule, each offer is valid for 48 hours and it is subject to availability at the time of booking. Our specialists are available 24/7 to answer all your questions and escort you step-by-step throughout the booking process. Whether you speak English, German,

French, Portuguese, Italian or Spanish, our international Customer Care Team will support you in planning your journey and handle every detail that follows. Unlike other providers, each quote at GlobeAir is designed to be clear and transparent. It includes all the flight related costs such as fuel, crew, airport fees, and passenger taxes. Pets up to 8 kg are allowed on board, nevertheless travelers are kindly invited to ask the Customer Care Team upon booking about any special procedure and airport regulations.

**SUPPORT.
KEY TO OUR SERVICE.**

At GlobeAir we believe 24/7/365 maintenance support is a key contributor to ensure that not only our passengers are taken care of but also our fleet is always in perfect shape. GlobeAir is an EASA Part 145 approved maintenance organization located at Linz Airport (LOWL). We are fully certified to perform all maintenance actions on the Citation Mustang through engine hot sections, full landing gear inspections and just about every other task needed to keep the aircraft perfectly airworthy. Our maintenance unit operates two mobile repair teams across Europe providing genuine spare parts and qualified labor on site at any airport support is required.
